

Wimmera & Southern Mallee Mental Health Service Mapping Project

Summary: Service Capacity

10 June 2016

This document supplements the information in the Wimmera & Southern Mallee Mental Health directory developed by Wimmera Primary Care Partnership with the support of a Grampians Partners in Recovery 2016 Innovation Grant.

The summary collates key information and data collected in March and April 2016.

Key

Primary site – physical local location of the service

Areas serviced - Local government areas in the Wimmera & Southern Mallee where the agency is funded to provide services

- H – Hindmarsh Shire
- HRC – Horsham Rural City
- WW – West Wimmera Shire
- Y – Yarriambiack Shire

Outreach locations – Towns/communities where the service is located periodically (eg. as a visiting service)

Community – Service providers are able to meet individuals/clients in a community setting

Home Visits – Service providers are able to meet individuals/clients in their home

Waitlist – waiting period for services at time of data collection

Priority – the services have the capacity to prioritise individuals/clients with urgent needs (not necessary a crisis response)
